Notification dated 12th December 1947.

To

ALL THE TRANSPORT COMPANIES AND CARTING CONTRACTORS,

DEAR SIRS,

Subject :—Un-loading of Coal and other materials intended for this Factory at the City Goods-Yard and Yeswanthpur Railway Station on arrival of the Wagon and load the same to the Factory Lorry for Transport to the Factory.

Sealed tenders are invited for undertaking the un-loading of coal, Felspar and Gypsum and other materials intended for this factory at the Bangalore City Goods Yard and Yesvantpur Railway Station, as the case may be on arrival of the Wagon and to load the same to the Factory Lorry for transporting to the Factory for one year from 1st January 1948, so as to reach the undersigned by 11 A.M. on Monday the 5th January 1948.

The tenders should be accompanied by an earnest money of Rs. 20 without which the tender is invalid.

The tender is subject to the following conditions :—

1 The approved tender will be in force for one full year from the date of acceptance.

2 Rate may be tendered on tonnage basis for the respective Railway Stations.

3 The approved tenderer should see that the un-loading of coal and other materials are done immediately on arrival of the wagon intended for this Factory with due information to the factory for sending the lorry for transport. Responsibility for demurrage will be on the Contractor for not un-loading within the time allowed by the Railway Authorities.

4 The accepted tenderer must be on the look-out for intimation of arrival of wagons in this office and must pay daily visits to the Factory Office for getting this intimation. Written authorisation should be taken for un-loading the materials, which must be attached to the bills. Materials un-loaded should be held in safe custody till all the material is completely loaded to the Factory Lorry. Value of material lost by pilferage and other unnatural causes will be recovered from the Contractor.

5 If the rate is on tonnage basis, the tenderer shall have to accept payment on the weights indicated as final in the relative rail receipt at destination.

6 The un-loading and loading should be as far as possible be conducted during the working days and working hours of the Factory. If wagons were to arrive on holidays, the same should be un-loaded with due intimation to the Factory. The transport will ordinarily be done in the day time.

7 A sum of Rs. 120 should be deposited in cash by the successful tenderer as security for the satisfactory performance of contract for which an agreement on a stamped paper should be executed, in respect of the undertaking.

8 Payment :—Bill may be preferred fortnightly. The deposit may be taken back as soon as the contract is completed to the satisfaction of the Management after deducting all amounts due to the Factory.

9 Penalty :—In case of default to complete the undertaking as per terms of contract, such penalty as may be prescribed by the undersigned shall be levied and recovered.

10 Disputes :—In all cases of disputes the decision of the Director of Industries and Commerce in Mysore, Bangalore, will be final.

11 Each tenderer should send his quotation in a sealed envelope and superscribed as "Tender for un-loading and loading of Materials" and the earnest money of Rs. 20 in cash to be paid at the Factory Office along with the tender and the official receipt obtained.

12 The tenders will be opened on Monday the 5th January 1948, at the Factory Office and except that of successful tenderer, the earnest money deposits of others will be refunded by cheques by the undersigned.

13 The factory reserves the right to accept or reject any tender without any reason whatsoever and to add or delete any item at the time of acceptance of tender.

14 Any further information required may be had from the Factory Office during working days and hours will before the date of submission of tenders.
